

The Office of Educational Assessment would appreciate your taking the time to provide us with feedback about the quality of Undergraduate Research students' presentations and posters. Your assessment will only be used for institutional assessment purposes. After you have completed this form, make sure to turn it in to the registration desk on the way out. Please mark an X to indicate the level of performance observed on each criterion of a student's oral presentation. PLEASE DO NOT USE HALF NUMBERS. The rubric is an adaptation of the AACU VALUE rubric for Oral Communication. <http://www.aacu.org/value/rubrics/pdf/OralCommunication.pdf>

Place an X to indicate presentation area:  Arts       Sciences       Social Science       Humanities

Place and X to indicate if this is a poster or Oral presentation:  Poster       Oral

### Oral Presentation or Poster Rubric

Criteria	4	3	2	1
Central Message	Central message is compelling. (Precisely stated, appropriately repeated, memorable, and strongly supported)			Central message can be deduced but is not explicitly stated in the presentation.
Organization	Introduction, sequenced material, transitions, and conclusion lead to a logical organizational pattern.			Organization is not evident. Lack of introduction, conclusion, transitions.
Language Use	Word choice is appropriate for the audience. Words emphasize the central message, enhance the effectiveness of the presentation.			Word choice is inappropriate for the audience. Word choice detracts from effectiveness of presentation.
Delivery	Voice volume, posture, gestures, eye contact, make the speaker appear polished and confident. Delivery supports the main message and enhances the effectiveness of the presentation.			Voice volume, posture, gestures, eye contact, make the speaker appear unpolished and uncomfortable. Delivery detracts from the central message and makes the presentation ineffective.
Supporting Materials	Speaker uses supporting materials (examples, graphs, visual aid, meaningful quotations, statistics) to establish project credibility. Supporting materials or poster visually is appropriate to the main message.			Speaker lacks supporting materials or provides inappropriate materials (examples, graphs, visual aid, meaningful quotations, statistics), project credibility is questionable.
